

RAIDER REFLECTIONS

ST. THOMAS AQUINAS HIGH SCHOOL ALUMNI & FRIENDS MAGAZINE - WINTER 2007

ALUMNI HOMECOMING ACTIVITIES

The STA Alumni Association kicked off Homecoming weekend with a cocktail party at Coconuts Bahama Grill on Thursday, October 4th. Almost a hundred alumni turned out to enjoy a fun evening with friends and fellow alum, including members of the Class of 1982 who were celebrating their 25th reunion. The following night, over two hundred alumni, family, friends and faculty of STA came out to the 6th Annual Alumni Homecoming Cookout. Despite the rainy weather, everyone enjoyed great food, the festivities of Homecoming, and an important district football game. The 2007 Raiders defeated Cooper City 56-7. There were alumni from throughout the years at both events; from the fifties all the way to our newest alum from the Class of 2007. **ALLAN BIR '60** joined us all the way from Indiana again, bringing his fantastic ribs and cookout feast. Thank you Allan and all the donors and volunteers for making this another great Raider cookout!

DEAR ALUMNI,

When we remember our alumni it is natural to recall many of the fond memories we experienced together, but it is the present that now holds our attention and the future that requires our commitment. As we work here on a daily basis we are conscious of the continuous enhancement of the total program, be it curriculum, facilities or faculty. In our future endeavors we desire to have in place all the facilities necessary to accommodate those desiring the very best education available. We earnestly solicit your involvement and support of the tremendous educational pursuits at St. Thomas Aquinas. Our alumni have always been a vital part of what we do. We sincerely hope it will not be any less now than before. Please join us today in realizing our future with your support of both the Bienes Performing Art Center and the Smith Center. Your efforts will not go unrewarded.

Don S. Kelly

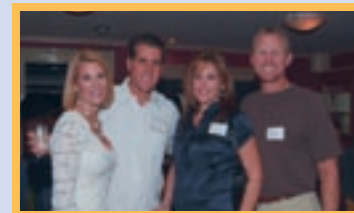

God Bless,
Monsignor Vincent T. Kelly

STA "RAIDER" CRUISE

OCTOBER 27, 2007

ABOARD THE LADY WINDRIDGE

It was a perfect evening for an intercoastal cruise as 100 guests joined Hall of Fame Coach Don Shula, Cris Carter, and Hall of Fame Wide Receiver and Saint Thomas alum, **MICHAEL IRVIN '84** aboard the Lady Windridge to celebrate the naming of the Saint Thomas Aquinas Smith Center. Guests tried their luck at the casino tables, enjoyed autograph sessions and took in the sights of Fort Lauderdale while dancing under the stars. Over \$225,000 was raised to benefit the Saint Thomas Aquinas Foundation and the Smith Center. The new facility will include new girls' and boys' locker rooms, an audio-visual room, a modern weight room, training and rehabilitation room, and 9 new classrooms. Opening is anticipated in March of 2008.

TOP 50 CATHOLIC HIGH SCHOOL

STA has been honored for the fourth consecutive year as one of the TOP 50 CATHOLIC HIGH SCHOOLS in the nation! Only 11 Catholic High Schools in the nation have achieved this honor for four consecutive years in a row. We are also the only high school in the state of Florida to have this distinction. The 2007 Catholic High School Honor Roll recognizes schools that embrace a vibrant Catholic identity and instill an appreciation of the social, political, and economic dimensions of the world that students will engage.

STA was very happy to welcome all its new faculty members for the 2007-2008 school year including two alum! Welcome back to **CARLO NASCA '03** and **KRISTIN SALERNO '98**.

STA has two students from Sacred Heart School in Milan, Italy, one of the best Catholic schools in Europe. Michele Grassi and Simone Brusa are living with families of STA classmates while attending STA. The seniors are taking part in an international education program begun by the archdiocese's department of schools. Their presence not only enriches their cultural education but serves as a reminder to them and their classmates that the church is universal.

You're a Good Man Charlie Brown was presented this past October at the STA Annex at OLQM. Congratulations to the entire cast, crew and drama advisor Jerry Seeger on such a successful and wonderful production! The sell-out crowds each night truly enjoyed the shows.

A Very Merry Fashion Show was an outstanding event, held again at the Hardrock Hotel and Casino. Thank you to all the volunteers and especially to the fashion show chairs Colleen Bokamper, Cyndee Cuthbertson and Cindy DeSantis for all of their hard work. Thank you also to our honors-dance troupe and the choir for their fantastic performances.

Megan Massagee was presented with a commendation by Fort Lauderdale Mayor Jim Naugle and the Fort Lauderdale Fire Rescue for her actions in saving her grandfather's life. On September 21st, Megan resuscitated him and continued CPR until the paramedics arrived and transported her grandfather to the hospital.

Daniel Rodriguez made a beautiful cardboard replica of the Titanic ship that the city of Weston displayed at their library. They incorporated it into their "Read All About It" summer reading program. The dramatic ship is 14 feet long and 4 feet high has seven floors with cabins, furniture, décor and lights. It took Daniel over a year to build.

Freshman Alexander Border achieved the rank of Eagle Scout after planning, designing and building soccer fields at Coral Park Elementary in Miami. Alexander also collected soccer uniforms for students in the Caribbean and directed the shipment to the needy students.

Sophomore Lashaunda Hayes has been selected to attend the Hugh O'Brien Leadership Seminar to be held next spring. Jordan Simigran was selected as alternate.

Congratulations to Allion Salvador for auditioning for and earning 6th chair in the violin section of the All-County High School Gold Band.

STA was #2 in the nation among catholic schools for National Merit Scholars, #16 among all schools in the nation and #1 in Florida!

ALUMNI ASSOCIATION

THE STA ALUMNI ASSOCIATION

The new STA Alumni Association is still in its beginning stages. With over 15,000 alumni, the Association serves and promotes Saint Thomas Aquinas and its alum in a manner that enriches the lives of its members and the quality of our alma mater. We need your support and involvement to make this a valuable organization to STA, its alumni, students, administration, faculty and staff. The Association strives to reconnect graduates through sponsoring alumni events while supporting both the activities of the school and the friendships that were made. Some of the Association's annual events include an After-Christmas Party, alumni gatherings at the beginning and end of the school year, a cocktail party and cookout for homecoming weekend, and a "Kick-off the school year" coffee in August (pictures below). All St. Anthony's, Central Catholic and St. Thomas Alumni are invited to join! We encourage each alum to become an active member. For just \$25 per school year, alumni and immediate family members can join the Association. Each membership includes an STA Alumni Association decal, invitations to STA alumni events and future issues of Raider Reflections twice a year. For more information on becoming a member or volunteering, please fill out the form below or contact us at:

alumni@aquinas-sta.org or 954-327-2188.

TO ALL OUR ALUMNI FRIENDS,

Those of you who have been able to visit campus and observe the tremendous growth of our facilities are awed with what has been accomplished. Every year there is something new to grab our attention. Although the buildings are attractive and necessary, it is the outstanding programs, in all areas of a young person's development, that challenge our students to achieve and be successful. We ask you to join us and share in their accomplishments. Please be an active participant in helping us with our continued development. The alumni are the past, the present and the future of STA.

Sincerely,

Sister John Norton

OLD YEARBOOK INFO

We have come across some extra yearbooks! If you have lost your yearbook or would just like another one, please contact us at:

alumni@aquinas-sta.org or call 954-327-2188.

You can receive a yearbook from '72, '80, '83, '84, '86-'92, '94-'01, '03 and 2004. We are also in need of yearbooks or yearbook copies from '46 to '51, '53, '54, '60, '61, '65, '66, '73, '74 and 1993.

Thank You!

TARGET TAKE CHARGE OF EDUCATION

Please remember to think of STA when you do your holiday shopping this year at Target! Target stores will donate an amount equal to 1% of your Target Visa and Target Guest Card purchase each time you use the card. Please designate STA as your school of choice so that we may receive this beneficial fundraiser.

BUILDING FOR THE FUTURE CAMPAIGN

"How wonderful it is that nobody needs to wait a single moment before starting to improve the world."

~Anne Frank

It is a remarkable sight, to be on the St. Thomas Aquinas campus and witness the future being built before our eyes. The commitment to providing state of the art

facilities for our students are realized in the new Smith Center and the Bienes Performing Arts Center. These facilities will provide today's Raiders with the ability to explore their passions – be they academic, artistic or athletic.

We are counting on you to assist us in "improving the world" for our students and those that will follow for generations to come. The opportunities to give back to your alma mater are many – be an active part of building the Saint Thomas Future today! For more information, please contact us at 954-327-2187.

STA FOUNDATION DINNER

The 28th Annual St. Thomas Aquinas High School Foundation Dinner and Dance was again held at the Hyatt Regency Pier 66 Resort. The sold out event was an enjoyable evening of mingling with friends, sharing wonderful conversations, while having a delicious meal and dancing the night away. The chairs of "The Future is Now" event, Barbara Ryan, **TRACY ZIEGLER DUNN '79**, Liz Caldwell, and Lori Westerman worked tirelessly to make the evening a huge success. **CARL BOEHM '92** produced the video that was shown. Special thanks to all who attended and made the evening such a memorable event.

REUNION GIFT FROM THE CLASS OF '87 TOPS LAST YEAR'S CLASS OF '86!

The Class of 1974 made the largest reunion gift ever to STA when they presented Sister John Norton with a check for \$1,974 in 2004. Two years later, the Class of '76 beat that reunion gift, by raising \$2,000 to give back to the school as their reunion gift. The Class of '86 topped both reunion gifts combined when they made a reunion gift of \$4,000 following their 20th reunion last year. This year, the Class of 1987 exceeded that gift with the largest reunion gift ever given to STA, presenting a check for \$5,300! YES, \$5,300! Reunion chair **SHAWNDRAS ASSEFF BAIRD** did a fantastic job rallying her classmates for sponsors and asking all to give just a little bit more so they would be able to give back to their alma mater. Her classmates responded very generously! Also joining the Class of '87 with reunion gifts this year were the Classes of '97, '82, '77, and '67. THANK YOU!

Please remember, your reunion year is a special time to relive your days at STA, to come back home and recapture the old times and see what is new with old friends and STA. Reunions can be more than just memories. They can be a time to show your support and devotion to STA by making a class gift. Reunion gifts financially help support STA. Please consider making a reunion gift part of your reunion; it will help make our current students' days at STA as memorable as your own. For more information about reunion giving, please contact us at alumni@aquinas-sta.org or 954-327-2188.

ALUMNI ANNUAL FUND

Once a Raider – Always a Raider!

Since your time as students here, STA has expanded not only in size but, in quality as well. Our achievements are second to none in the nation. These accomplishments, academically, artistically, and athletically, have been possible due to our dedicated supporters, faculty and administrative leaders. Continued support from alumni is pivotal to ensuring our future as a nationally recognized school of excellence. The STA Alumni Annual fund is an opportunity for you to ensure that the next generation of Raiders have what they need to succeed. Opportunities for giving include supporting scholarships for deserving students, endowments for faculty chairs, technology upgrades, facility improvements, and more. Your tax deductible, unrestricted gift, at any level, benefits every future alumnus - every contribution does make a difference. Please make an investment in the future with a gift to the STA Alumni Annual Fund. For more information, please contact us at:

alumni@aquinas-sta.org or 954-327-2188.

The STA Office of Alumni Relations is working with Raider Review staff in getting interviews with former alum. Senior staff writer Maria Muller '08 recently met with Alumni Director **MARCY CALLAHAN '76** at the Miami Dolphins Training Camp for an interview with **TWAN RUSSELL '93**. Just after the interview, Twan was named a Sun-Sentinel Shining Star for his contributions to promoting literacy helping children with the Russell Life Skills and Reading Foundation. Congratulations Twan and thank you!!

FRONT OF THE LINE: TWAN RUSSELL ~Maria Muller

STA is famous for its ability to produce high quality scholars and athletes. Twan Russell, a football veteran turned philanthropist, is an ideal example of the well-rounded adults students here try to be. Mr. Russell's mother, a teacher, understood the importance of instilling in him the good values of succeeding academically. While a student at STA, he was on the honor roll and managed to excel in two sports, football and track. STA welcomed Mr. Russell with open arms; he was extremely fond of the whole new culture of high school, which really allowed him to grow into the person he is now. Mr. Russell went to the University of Miami on a football scholarship, turning down an offer by Notre Dame partly because "when [he] visited Notre Dame it was snowing and cold and [he] hadn't brought a jacket and had to borrow someone's."

During his stay at the UM Mr. Russell majored in creative writing and minored in criminology and broadcast journalism. Mr. Russell confessed that his choice to major in creative writing was more of a homage to Ms. Modic, who "wouldn't accept mediocrity," than because he had a real passion for it. Although one may think that working with the Dolphins, as the Director of Youth and Community Programs, may not be the best outlet for those skilled in creative writing, broadcast journalism, and criminology, Mr. Russell says that he employs knowledge he gained at UM on a daily basis. "As long as you can take the principals you learn and put them into play, you're making good use of the information."

Following his stay at UM, Mr. Russell was drafted by the Washington Redskins where he played from 1997 to 1999. He then played for the Dolphins from 2000 to 2002 and for the Falcons for one year before finally retiring from Pro-football due to a knee injury that prevented him from performing at the same level.

For Mr. Russell the best part of Pro-football was the competition, "I'm a competition addict... I could play scrabble as long as I feel challenged." Since his retirement, he has been creating football and educational programs, opening an active mortgage and real estate company, and teaching at church every third Sunday.

Mr. Russell started a help foundation with his mother, Corliss Russell, called *The Russell Life Skills and Reading Foundation*. Mr. Russell started the center because of his own past. When he was in school his mother did everything from cooking to taking him and his four brothers to football practice to helping with homework. Mr. Russell's mother could have used help, and he figured that other parents could also. The program uses 60 percent phonetics and 40 percent whole language. Twan Russell wanted to make a difference in the community by "going in with sutures not just a Band-Aid to fix the problem."

When asked what he thinks people should know about him he said, "I'm just a Christian man trying to live righteously on a daily basis who understands I need God to do it."

USS NITZE CAPTAIN COMMANDER ROBERT HEIN JR. '83

One of the United States Navy's newest destroyers, the USS Nitze, DDG94, stopped in Fort Lauderdale in August. The Captain of the ship is CDR Robert Hein Jr., Class of 1983. The stop came after Bob had a six month deployment to the Horn of Africa. While in Fort Lauderdale, he spoke at the Tower Club to members of the Navy League and their guests. STA was also honored to have Bob stop by and visit with students and former teachers. Bob has been in the navy for twenty years and been the captain of the Nitze for over a year and a half.

CPL GREG HOGANCAMP '01 - US ARMY COMBAT MEDIC

CPL Greg Hogancamp and his unit were on routine patrol in May in an area known as Sadr City, Iraq. They were working with US Army Special Forces and were led by 3 M1 Abrams Main Battle Tanks when they were ambushed. The lead tank was penetrated with an explosive formed projectile or EFP, and the three crewmembers, including Greg, were all seriously injured. All three men were placed in drug induced comas for medical treatment and evacuation to Germany. Greg spent a week in the coma and nearly lost both his legs. He has several more surgeries and months of therapy ahead of him before he can begin walking again. This was Greg's second and possible final combat tour since the Army will probably medically retire him within the next year. Greg asks for all our prayers and thoughts for his family and friends and for all the men that have served and their families. He especially asks for prayers for the other two men who were in the tank with him. One lost his arm and was paralyzed from the waist down and burnt over 35% of his body. He has a wife and two children. The other spent several weeks in the drug induced coma and is now battling blood clots in his lungs, joints and back. He has a wife and three children. Greg asks us to remember these men and women who pledged to keep our way of life safe and free from fear and asks us to keep them in our prayers.

ASHLEY FLORES '05 WINS NATIONAL CONTEST

The national winner of the 2007 Venus Breeze Legs of a Goddess contest was STA alum Ashley Flores. Singing sensation Rihanna, had kicked-off the nationwide contest in June and announced the winner in September. She presented Ashley the award at New York City's Nokia Theatre in October. Ashley won the contest against competition from all across the country. Contestants from San Diego to Boston competed before a panel of judges that included actress and "Dancing with the Stars" alum, Stacy Keibler. In addition to toned and shapely legs, the judges looked for women with a confident and charismatic personality. Ashley has a passion for dancing and is currently enjoying her third year as a dancer for the Miami Heat. She stays in shape with daily dance practice, but also enjoys yoga and running. Now in its fifth year, the Venus 'Legs of a Goddess' contest celebrates women who exude beauty both inside and out.

KIRK OLIVADOTTI '92 - REDSKINS LINEBACKERS COACH

After beginning his NFL career coaching with the Washington Redskins in 2000, Kirk Olivadotti became a position coach for the first time in his career. Kirk was promoted earlier this year to oversee the Redskins linebackers. Redskins coaches say that he has performed well in every assignment since he was hired and despite his relative inexperience, his ability to identify opponents' tendencies and provide useful tips for players has helped make him a key contributor on the coaching staff. The Redskins have even denied other teams' requests, including the Dolphins, to interview Kirk for assistant positions because he is too important to them. In linebacker meetings, Kirk gives each player a review sheet of the unit's performance from the previous day's practice. How well, or poorly, the unit fared is explained in detail, not something many players have seen coaches do. Kirk began his coaching career working with wide receivers and tight ends at Maine Maritime for one season in 1997. He moved to Indiana State as an assistant for the next two years and then joined St. Joe's as defensive coordinator before being hired by the Redskins. Kirk earned his bachelor's degree in education and his master's degree in education administration, both from Purdue, where he was a four-year letter winner at wide receiver.

ALUM ATHLETES IN THE NEWS

SEAN GALLAGHER '04 was drafted by the Chicago Cubs in '04 and made his Major League debut 6/9/07 against the Atlanta Braves in Atlanta. Pictured is Sean celebrating the Cubs clinching the Pennant on 9/28/07, as Sean pours champagne on teammate Ryan Dempster.

WESLEY CARROLL '07 was named the SEC freshman of the week after throwing for two touchdowns in Mississippi State's 31-14 win at Kentucky. He was the first MSU player to ever earn the freshman honor since the league instituted the award in 2004. Wes completed 17 of 28 passes for 152 yards with two touchdowns and no interceptions. Going into the Alabama game, he had thrown a school record 137 passes without an interception. The true freshmen quarterback helped lead MSU to upset Alabama even after MSU's first drive ended with his first career pass interception. In the MSU-Arkansas game two weeks later, Wes's four touchdown passes tied for the most ever for a Bulldog quarterback in a single game. And his 421 yards passing in that game was third all-time in MSU history. Since stepping in at quarterback midway through the season, Wes has helped lead MSU to finish with a 7-5 record and its first postseason bowl bid since the 2000 season.

GENE ATKINS '06 was named the Most Improved Defensive Tackle at conclusion of spring drills. He has gone on to help lead the #4 Georgia Bulldog football team with 5.5 sacks and 37 tackles, leading the defense with 12.5 tackles for loss. He also had 29 quarterback hurries. Gene was named the SEC Defensive Lineman of the Week after he had five tackles, 1.5 for a loss and a .5 sack against Kentucky. He led the team with a career-high eight tackles including one for a loss against Vanderbilt. Coach Richt commented that Gene was a little bit more advanced than some guys last year when he played as a true freshman. He also complimented Gene and said that they have confidence in him and that he was not surprised for Gene to have such a big year.

JAY OTTOVEGIO '03 was the only player on Stanford's football roster this year who was a fourth-year starter. Jay is Stanford's all-time leader in both punts (260) and punt yardage (10,623). He averaged 40 or more yards in 31 of his 44 career games, including eight times in the 2007 season. He had a career-high 10 punts and 429 punting yards in the season opener vs. UCLA. Jay contributed to Stanford's big upset of USC when he averaged 42.9 yards on his eight punts, with two touchbacks. Jay also had a huge game at Arizona when he had a season best 46 average on five punts and put a season-high five inside the Arizona 20-yard line. He only had two punts blocked while at Stanford. Jay, a Stanford co-captain, proved to be a consistent and reliable punter with a strong leg throughout his college career.

RICHARD GOODMAN '05 had an excellent spring and won the Second Effort Award from the FSU coaching staff. He has played in 28 games his first three seasons at FSU. Richard caught 20 passes this season, including a season-best 50-yarder against Alabama-Birmingham, for 184 yards and had 2 touchdowns. Richard also played on special teams, had three tackles and recovered a fourth-quarter onside kick that preserved a Seminole 16-6 victory at Colorado.

VITO PELLERITO '04 was named the Liberty Co-Defensive Performer of the Week after notching a team-high 10 tackles in Union College's win over Rochester. Vito, a linebacker, finished the season with 82 total tackles, second on the team. He had 54 solo tackles and led the team with two forced fumbles.

MICHAEL DOUGHERTY '05 became the eighth player in Ivy League football history to pass for 3000 or more yards in a season, finishing the season with 3039 passing yards. The junior quarterback's 264 completions were fifth in the Ivy League record book. He ranked 3rd nationally in pass completions (26.4 per game), third nationally in passing (303.3 yards per game) and 6th in the nation in total offense (310.4 yards per game). Michael tied an Ivy League record by passing for 400 or more yards three times during the season. He set a Brown record by completing 82% of his passes in the game against Dartmouth, going 41 for 50. His total offense of 416 yards in that game was ninth in the Brown record book and his 41 completions are third in Brown history and fifth best in Ivy League football history. Michael had 42 completions against Holy Cross, second best in Brown history and his 447 yards of total offense in that game ranks fifth best. He was named the Ivy Offensive Player of the Week following the Holy Cross game after he also threw for more than 400 yards for the second straight week and two touchdowns. Congratulations to Michael for also earning All-Ivy honors.

MAJOR WRIGHT '05 became the first true Gator freshman to have his black stripe removed during the preseason workouts, a sign from head coach Urban Meyer that he had made enough progress to earn the right to compete for playing time. He saw immediate action in the season opener against Western Kentucky, finishing tied for third on the team with four tackles including three solo. Major, a safety for the University of Florida, played in all 12 games this season. He finished the season second on the Gator team in solo tackles, with 41. He had a total of 58 tackles and led the team with three forced fumbles.

WES BYRUM '07 was named a Lou Groza Collegiate Place-Kicker Award Star of the Week three times this season. He was given the award following both the Florida and South Florida games. Wes kicked the game-winning 43-yard field goal on the final play of the 20-17 Auburn upset of Florida. He was also named SEC Special Teams Player of the Week following that game. Against South Florida, Wes made a season-long 49-yarder in the first quarter and a 46-yarder with just 2:54 to play that gave Auburn a 20-17 lead. The third honor for the Auburn freshmen kicker came after he kicked three field goals against Arkansas, including the game-winning 20-yard field goal with 21 second remaining in regulation. Wes provided all the Auburn scoring in the 9-7 victory which also included kicks of 22 and 38 yards. The winner of the Lou Groza Award will be presented by the FedEx Orange Bowl. Wes was also named the Alabama Athlete of the Month for September by the United States Sports Academy. He is 16 for 21 this season and 33 for 34 in extra points, leading the Auburn team in scoring with 81 points.

FOLUKE AKINRADEWO '05 was named all-time Pac-10 Player of the Year, Stanford's 12th-time All-Pac selection. Foluke, a middle blocker on the Stanford volleyball team, is a three-time All-Pac selection on the All-Pac-10 Team. She led the league in hitting percentage (.493) this season, and was among the conference's statistical leaders in kills per game (4.01, 9th), blocks per game (1.20, 8th) and points per game (4.85, 5th). Foluke earned Pac-10 Player of the Week honors twice, and helped the Cardinal defend its Pac-10 title with a 27-2 record and a 16-2 mark in conference play. Her season hitting percentage currently leads the nation, and is on pace to break the Pac-10 single-season record. Foluke led Stanford in clinching the Pac-10 Championship in November earning the overall No. 1 seed in the NCAA Tournament. Foluke also is one of only three collegiate players asked to train with the USA Women's National Volleyball Team in January.

FALL SPORTS 2007

The 2007-2008 STA Athletic Seasons are underway and off to winning regular seasons and playoff competitions. Congratulations and GO RAIDERS!

When the first 2007 home game was played this year, the Raiders had a new field to play on. The natural field surface has been replaced with Field Turf, an artificial surface, for the 2007 Football Season.

This year, the STA football coaching staff, consisted of two head football coaches and seventeen assistant coaches that are alumni! Raider alumni coaches include JV head football coach **BEN FILlichio '83**, Freshmen head football coach **JERRY MARTINEAU '68**, assistant varsity coaches **WAYNE BLAIR '94**, **DWIGHT MCKINZIE '92**, **WILLIE WRIGHT '94**, **TIM CONRAD '85**, **BRYAN BAUCOM '87**, **MICHAEL CURRY '93**, **JOHN HACKETT '70**, **DARYL PORTER '93**, **ROB BIASOTTI '86**, JV assistants **JOHN BATTAGLIA '83**, **JOHN CONGEMI '82** and freshmen assistant football coaches **CHRIS CORMIER '00**, **PAUL BERNERT '93**, **JOHN MORGAN '88**, **ADAM BOLANOS '01**, **FRANK BARRETTO '80** and **FRANK INDUISI**.

STA honored the 1997 State Championship football team at halftime of their last regular season game on November 9th. The team received t-shirts and a very big round of applause from the crowd. It was a great night of football and Raider pride with the current Raiders beating a tough Miramar team by a score of 42-7.

The **VARSITY FOOTBALL** team finished the regular season with a 9-1 record and a really big win over a tough Miramar team, 42-7. The Raiders were the District Champions, undefeated in their district; their only loss of the season, for the second year in a row, was to Deerfield Beach, 41-43. In the Regional Quarterfinal playoff game, the Raiders barely beat Ely, 13-12. The team went on to solidly beat Dillard at Lockhart Stadium in the Regional Semifinal game, 41-12. In the Regional Final game, STA defeated Palm Bay at home 59-14. The Raiders will travel to play Largo in the State-Semifinal game. The winner of that game will play in the State Championship game on December 14th in Orlando. Good luck to Coach George Smith, all the coaches and the team as they try to make it to the State Championship Game for the fourth consecutive year!

MORE FALL SPORTS

The **GIRLS VOLLEYBALL** team finished their season with a 27-5 record and as the District and Region Champions. The Raiders swept West Boca to win the Regional Final but lost to Leon in the State Semifinal match. It was the 18th year in a row that the Lady Raiders appeared at the state tournament. They played the toughest schedule in the county this season, possibly even the state. They only lost five matches all season, none to a team from Broward. Congratulations to Coach Lisa Zielinski and all the coaches and team on another really great season.

The **GIRLS GOLF** team finished the regular season with a 13-3 record. They won the District Championship with their four low scores totaling 325 and beating their closest competitor by 89 shots. In the Region tournament, they lowered their team score by four shots and won the Region Championship beating Atlantic by one shot. For the second year in a row the Lady Raiders took 7th place at the State Finals. Congratulations to Coach **COLLEEN CASHMAN-MCSWEEN '94** and Assistant Coach Ed Waters and the team on an excellent season.

The **BOYS GOLF** team finished their regular season with an 11-1 record. They were the District Champions with a score of 303 in the tournament. The entire team shot in the 70's. The team shot 305 in the Regional tournament, taking fourth place. Congratulations to Coach Mike McIntosh, all the coaches and team on a great year.

The **GIRLS SWIMMING AND DIVING TEAM** had another great season finishing the regular season with a 9-1 record. They went on to dominate the District Championships, winning five individual events and sweeping all three relays. The Lady Raiders also won the Region Championship and went on to take 6th place at States. Congratulations to Daniela Victoria on being the state champion in the 100 breaststroke with an All-American time of 1:02:95 and congratulations to Coach Jimmy Parmenter and all the swimmers and divers on a great season!

The **BOYS SWIMMING AND DIVING TEAM** finished the regular season with a 7-3 record. They came in second at the District finals. The Raiders placed fourth at the Regional swim meet. Congratulations to the team and Coach Martin Grady on another winning season.

The **GIRLS CROSS COUNTRY** team finished their season undefeated, 23-0. The Lady Raiders were #1 in the stateflrunner.com rankings. They defended their title at the Great American Cross Country Festival in Alabama and also won the District Championship, with six runners placing in the top 10. The girls finished as the Regional runner-up and were the only Broward team to make it to the State finals, where they took eighth place. Congratulations to all the girls and to Coach Trish Butler on an excellent year.

The **BOYS CROSS COUNTRY** team also finished their season undefeated, 23-0. The Raiders won the BCAA Championships with their five top runners finishing in the top 20. They won the District Championship and placed fifth at the Regional meet. They were the only Broward boys' team to make it to the State finals, where they came in fifteenth place. Congratulations to Coach Trish Butler and all the boys on a great season! And congratulations again to Coach Butler for being named Girls Cross Country Coach of the Year by the Sun-Sentinel and the Miami Herald's Boys and Girls Cross Country Coach of the Year for last season.
